ODEMIRA EMPREENDE

ENTREPRENEURIAL SPIRIT MUNICIPAL AWARD (AXIS I, M6)

Background

Odemira Municipality, aware of its role, decided to launch the Entrepreneurial Spirit Award to reward and publicise those who, regardless of their business or idea, most contribute to stimulating the entrepreneurial spirit and economic development in the municipality.

Scope

This scheme aims to reward:

- An enterprising and creative idea that is feasible and sustainable;
- Three new business initiatives (established within the last three years) from all sectors of activity.

Goals

By instigating this award, Odemira Municipal Council intends to boost public recognition, dignify, enrich and add prestige to the business activity, and at the same time create an important award to reinforce self-confidence, self-esteem and motivation for new projects and new challenges.

Target

The following may apply:

- Young entrepreneurs between 18 and 35 years old, with enterprising and creative ideas. The proposals may be presented by the entrepreneurs themselves or indicated by universities, polytechnics, secondary schools or Municipal Councils of Youth and Economic Development;
- New business initiatives (established within the last three years), based in the municipality of Odemira.

Procedures

- Application: through the specific form;
- Frequency: the awards are attributed on an annual basis;
- Application Deadlines: the months of December, January and February;

Awards

- The enterprising and creative idea that wins the award will receive a trophy, diploma, financial prize (to be defined each year) and the chance of direct access to the Odemira Business Incubator;
- The new business initiatives will receive a trophy, diploma, financial prize (to be defined each year and progressively from the 1st to the 3rd ranked award winners);
- Awards may also be attributed for innovation and/or revelation and/or social responsibility. When attributed by the panel, the business initiatives will receive a trophy and a diploma.
